Gourmet Breaded Shrimp

GREAT TASTE

When it comes to fine shrimp, Certi-Fresh Breaded Shrimp stands out from the competition. That's because Certi-Fresh shrimp offers quality that you can see—and taste.

First, we travel the globe for the highest quality raw materials. Then, once the shrimp is processed to FDA/USDC Grade A equivalent standards, it is coated with our exclusive Japanese Panko breading formulations, giving our shrimp its delicate, signature crunch. Finally, each shrimp is individually inspected before being carefully hand-packed into our Certi-Fresh boxes.

All of this attention to detail ensures that Certi-Fresh Breaded Shrimp products will make a big impression with your customers. And we mean *big*. Our finished Breaded Products average size is at the larger end of the pack. Open one of our 16/20 boxes and you'll see that 90 percent of the shrimp will be 18.5 or larger. Shrimp for shrimp, Certi-Fresh products offers the finest in flavor, size and presentation.

Asian Cajun Gourmet Breaded Shrimp: We dip our Vannamei White Shrimp into a tantalizing mixture of Japanese Panko breading, Asian dried noodles, peanuts, sesame seeds, sesame oil and Cajun red spices for a taste that starts out unmistakably Asian but finishes with a Cajun punch.

Coconut Gourmet Breaded Shrimp: A delectable combination of coconut flavoring and coconut flakes are added to our exclusive Japanese Panko breading to create a Pacific Rim flavor with just a hint of Caribbean influence.

Low-Carb Gourmet Breaded Shrimp: A delicious and welcome alternative to beef, chicken and pork entrées. Appetizing *and* low-carb—the perfect combination for any menu!

Gourmet Breaded Stuffed Shrimp: Our Vannamei White Shrimp is fantailed, topped with a tantalizing mixture of mozzarella, jack and cheddar cheeses, then breaded with our Japanese Panko coating and dipped in our exclusive batter formulation.
